

Dear parent or legal guardian,

Fall 2015

Your son/daughter is invited to enroll in a University of Arizona, introductory engineering course that is offered at their High School. Engineering 102 in High School (ENGR 102 HS) is designed for high school juniors and seniors enrolled in pre-Calculus or above. Upon successful completion of the course, students who enroll in ENGR 102 HS earn 3 units of credit toward a UA engineering degree. **The non-degree seeking online admissions deadline is September 1, 2015. The registration and payment deadline for ENGR 102 HS is September 30, 2015.**

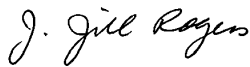

In order to receive credit for the course, your student will be required to do the following:

1. **Apply online for admissions** to the University of Arizona as a Fall 2015, non-degree seeking student. ENGR 102 HS students **do not pay the application fee. Online deadline is Sept. 1, 2015**
2. **Upload current copies of student's immunization records with the UA student health services.**
3. **Register and pay online, \$495 to Outreach College.** Note this tuition charge has been reduced from the standard rate by about 75% through scholarship support offered by the College of Engineering. **A special Outreach College registration link will be provided to ENGR 102 HS students on July 15, 2015.**
4. **Fill out the bottom of this form**, and return to your high school teacher.

Fall 2015 registration will open July 15, 2015 and links for Online Application, Immunizations and Outreach College Registration can be found at the ENGR 102 HS webpage:

Please cut at line and keep above for your records. Return the signed consent form to your student's Engineering 102 High School class.

Parent or Guardian Consent Form**High School name** _____

I (parent name) _____ understand that my student _____ (student's name) has enrolled in ENGR 102 HS through the University of Arizona to receive 3 units of credit at the successful completion of the scheduled course. I agree to pay the \$495 tuition on or before September 30th, 2015, or my student will not be enrolled in the course. I agree to supply, or assist my student in supplying, shot records to the link above. I understand that occasionally pictures and video will be taken of my student while participating in ENGR 102 HS and used for media coverage. I do not _____ (check only if applies) give permission for my child's image to be used by the UA in print and internet media.

Parent or Guardian (Signature) _____ date _____
